Empower Others, Empowering Yourself

- Coaching skills for Church Admins
- Coaching Upward
- Coaching teams/volunteers

Basic Coach Training is designed to equip pastors, ministry leaders and church leaders with basic coaching skills that can be integrated and incorporated into their local ministry setting. Coach training can dramatically enhance the ministry leader's effectiveness as a leader and greatly increase the impact within their faith community and the larger local community. In addition, this training will prepare ministry leaders to effectively coach each other in coaching partnerships among their peers.

Participants in this training will:

- Gain a strong understanding of coaching and the distinction between coaching and therapy, consulting and mentoring.
- Develop core coaching skills that can be incorporated into the local church setting.
- Receive a combination of coaching theory and practice.
- Observe LIVE coaching.
- Learn a Five-Step Coaching Model.
- Receive free copy of book, *Basic Coach Training*, a \$19.95 value
- Receive a complimentary coaching session with one of our coaches.
- Participate in a follow-up group coaching session 30 days after the training is completed. The intention is to provide support and accountability in the development of each participant. A bridge line telephone will be used.
